Mr. Winograd -

- 1. we do not advocate "right to life" for animals
- 2. there are always exceptions.

Nathan J Winograd

POB 150085

San Rafael

CA 94901

More than six billion animals are raised and slaughtered each year for food. In the process, they are deprived of fresh air, a clean space, sunlight and freedom. Please don't support this cruelty; write PETA for free vegetarian recipes.
