What's in a Word? (And Does It Matter?)

Do you say "animal control" or "animal care and control"? "Housebroken" or "housetrained"? "Unwanted" or "homeless"? The debate over whether to call pet owners "guardians" is only one in a long history of semantic squabbles in the animal protection movement. But are they really just squabbles, or do our arguments over language accelerate progress toward a more humane world?
