Animal Care & Control of NYC Adult Volunteering :

Thank you very much for your interest in helping Animal Care & Control of NYC. Our Volunteer Program is currently under construction so we are not accepting applications at this time. We are working on creating a new program that will provide a rewarding experience to the volunteers and give greater benefit to our animals. Please check our website in the beginning of September when we unveil our new and improved Volunteer Program.

In the meantime you can still help our animals by checking out our **donate** page. Your generosity will go a long way to help us provide excellent care to the 43,000 animals we rescue each year. We hope you will help them today.

Thank you.

Anyone interested in helping with administrative assistance, development, fundraising or marketing please email us at volunteerinfo@nycacc.org .
